FANNY G., (standard) b. m., 1884; sire Comac. First dam Nartica by Messenger Duroc (see No. 1) sire of Elaine 2.20; Prospero 2.20; Charley Champlin, Dame Trot, and fourteen others in the 30 list. Comac by Kentucky Prince, sire of Guy 2.12; Spofford 2.18¾; Company 2.19¾; Fred Folger 2.20¾, and seven others in the 30 list. Also sire of Kentucky Prince, Jr., the sire of J. Q. 2.17¾, and Lomonade 2.27¾.

Comac’s dam Atlanta, by Messenger Duroc. Second dam Flora Gardner, dam of Guy 2.12, Fred Folger 2.20¾, by Seeley’s American Star. Sire of forty dams that have produced 2.30 trotters. Third dam by Bay Richmond. Fourth dam by Diamond, son of American Eclipse.

Description.—Fanny G is dark bay, full 15 hands, broken single and double; never trained; shows a long, frictionless gait, that should carry her fast. In foal to Red Cross; record 2.21½.
No. 3.

BLANCHE, (standard) b. m., 1885, by Comac. Full sister to Fanny G (see No. 2). Blanche is blood-bay, about 152, elegant form, good disposition, being prompt and energetic, yet wonderfully kind. Broken single and double, shows a fine turn of speed for her chance, has the low, stealing gait peculiar to Guy, and judging from present appearances will trot very fast. Can be seen at the Locust Grove Training Stables, Jed. Williamson, Prop'r., Stony Brook, L. I.

No. 4.

LADY OSBORNE, b. f., 1888. Sire Hylas, 2 24½; sire of Susie S., 2.18; Hylas Maid, 2.29½. Dam Nartica, by Messenger Duroc, sire of sixteen 2.30 trotters.

Hylas by Alcalde, by Mambrino Chief, by Mambrino Paymaster. First dam Santa Maria, by Pilot, Jr.; Alcalde's dam by Pilot, Jr.

DESCRIPTION.—Lady Osborne is a beautifully-formed filly, and possessing, as see does, the blood of Pilot, Jr., through her sire and grand-dam, and the blood of Hambletonian through her dam and grand-dam, she ought to be valuable as a brood mare. Trots fast at the halter.

No. 5.

FLYING POINT, b. g., 1886. by Hylas; second, 2 24½, made in a sixth heat at six years, in a hot race, on a heavy track. Hylas' early life was passed in obscurity, having had no opportunity in the stud until brought to Long Island by Mr. H. L. Fleet, where, under favoring circumstances, he has demonstrated his ability to fix his characteristics. His stock are very young, but many of them, although out of mares of indifferent breeding, show wonderful flights of speed.

Flying Point's dam Fanny White, by Fleetwing, by Black Eagle. Second dam Fanny, by a son of Montauk, by Cassius M. Clay.
